

The Strategy for Service
Trading Places
Mark 1:40-45

Key Idea: Jesus is willing to trade places with the sick, taking our shame and suffering in return for cleansing and restoration.

To be cleansed by Jesus, I must recognize that...

1. I come to Jesus in my current condition.
2. Jesus alone can provide cleansing.
3. Jesus' cleansing brings with it a command.
4. Jesus' cleansing comes at a cost.
